me: wow
me: The occasion? Leslie’s 60th birthday party, an event billed as It’s Beard, It’s Weird, It’s a Birthday.” It should be billed “It’s Thong, It’s Wrong, It’s a Birthday.” But that’s just me.
me: wait
me: isn't Leslie dead?
me: while making a testicle, I mean, spectacle of himself
me: don't send me anything about Austin ever again
Caleb: I just wanted you to see Kelso's new look.
Caleb: The article's not that important.
me: yes it is
me: parts of it sounds like the satire humor columnist at Onion
me: I mean
me: I HAD TO CHECK AND MAKE SURE IT WASN'T THE ONION!
me: I WAS READING AN ARTICLE AND I THOUGHT
me: IS THIS THE ONION?!?!
me: BECAUSE IT WAS SO BIZARRE IT SEEMED LIKE A JOKE THAT THE ONION WOULD PRINT!
Caleb: Yes, yes.
Caleb: _I get it._
